Dear Oswego-Fulton Farmers Market Vendors,

As most of you know, my name is Taylor Davis, Member Engagement and Operations Manager at the Greater Oswego-Fulton Chamber of Commerce (GOFCC), operated by CenterState. Regarding the 2025 season, I would like to share a few updates with you:

While I will continue to be your point of contact and the market manager regarding the GOFCC markets, I am excited to announce that we are searching for a GOFCC Coordinator. I will update vendors on this once we onboard. The new GOFCC Coordinator and I will work together to make 2025 a great and successful market season for us all. With added capacity, we are excited to be able to continue the growth of our successful Oswego and Fulton Farmers' Markets.

The market season is starting to gear up quickly. Thank you to those who have expressed interest and already requested information and applications. The dates for the Oswego Markets will be June 12th – October 9th and for the Fulton Markets June 14th – October 11th. Included in this packet is the application to be returned to me, along with the general 2025 rules and regulations. ***We ask that you please read the rules and regulations carefully, as there may have been changes made since last year. All vendors must submit an application, signed copy of the market rules and regulations and payment prior to the market season.***

Visit [Oswego-Fulton Farmers Markets | CenterState CEO](#) for more information about the Oswego-Fulton Farmers Markets, presented by Oswego Health.

We are looking forward to a great market season. As always, The GOFCC remains committed to providing safe and prosperous markets! If you have any questions or concerns, please contact me at tdavis@oswegofultonchamber.com.

Best,

Taylor Davis

Oswego-Fulton Farmers Market Rules and Regulations (2025)

Oswego Farmers Market selling area is West 1st Street, between Bridge St. and Oneida St. Market selling hours are 4:00 p.m. until 8:00 p.m., with the street closing to traffic and parking at 3:00 p.m. **You cannot leave the market area UNTIL 7:45 p.m. Please respect the safety and well-being of other vendors and community members.** The public and vendor safety is our number one priority during the markets, following proper procedure helps us to ensure this.

Oswego line-up procedure: While waiting to enter the market, please line up on West 1st behind the police department. Vendors will be allowed on the street to begin set up as soon as the Oswego Police Department and the Market Manager have cleared the street of cars and give the "OK" to do so. **We ask everyone to please follow the lineup procedures, as well as any direction given by the representatives of the Police Department or City of Oswego.** Vendors will not be permitted to enter the market after 4:15 p.m. and there will be no refunds. We are required by the Fire Department to leave room for a 15-foot lane down the middle of the street for emergency purposes. You will be asked to move if you do not comply. **The Market Manager will use their own discretion if there is a change for any reason in this procedure.**

Fulton Farmers Market returns to Canalview parking lot, visible from Route 481. Market selling hours are 8:00 a.m. until 12:00 noon, with setup beginning at 7:00 am. **You cannot leave the market area UNTIL noon.** We are required by the Fire Department to leave room for a 15-foot lane down the middle of the street for emergency purposes. You will be asked to move if you do not comply. **The Market Manager will use their own discretion if there is a change for any reason in this procedure.**

Reserved stall spaces are for seasonal vendors only. All other vendors will be assigned at the Market Manager's discretion the day of the market, with no exceptions. All vendors must provide their own tent, table, chairs, etc. Stall spaces are 10 feet wide, please ensure that you are only using the space allotted to you so all vendors can set up properly. New applicants must submit applications and receive verification of acceptance.

Booth Cleanup – Each vendor is responsible for sweeping the area around his/her booth and for proper disposal of trash and debris from the selling area.

Signage – All vendors must have signage with the name of their farm/company clearly displayed.

Homegrown and Homemade – All farmers must grow or make at least 75% by volume of their products offered for sale at any time. Please note that the Chamber will reserve the right to determine if your products meet the criteria of our market stipulations and if your products are not 75% homegrown, home baked, or homemade participation in our market will not be allowed. Farm visits will be part of this requirement.

***Those items purchased elsewhere or not homegrown must be clearly marked for the protection of the consumers and must be locally grown in New York State.**

*Artisan vendors: Due to the abundance of similar items in crafts, the Market Manager can limit certain categories to provide space for a greater variety of craft items.

Quality Control – Any vendor selling items that are found to be of poor quality and/or does not meet the state and market standards will be given two quality control warnings by the Market Manager. The first warning will be verbal. The second warning will be written.
