

CENTERSTATE | CEO
NETWORK

CenterState CEO Network

CenterState CEO's Network is a collective community of businesses, entrepreneurs and organizations engaged with our organization. This network includes Members, Clients and Associates, which together, forms a dynamic ecosystem driving regional economic growth and innovation.

TIER DEFINITIONS

MEMBER:

A business or organization that pays annual membership dues and receives connections and resources directly for their business, including access to business development assistance, government advocacy and opportunities to connect with businesses across the region. Certain levels of membership also enable the member to contribute directly to the strategic vision and thought leadership of the organization.

CLIENT:

An individual or company seeking services to start or grow a business, and/or is participating in business growth programming administered by CenterState CEO.

NETWORK ASSOCIATE:

An eligible* small business that wants to engage in the CenterState CEO network but is not part of the member or client tiers.

**A business with less than 5 full-time employees or a non-franchise restaurant or a single location retailer*

MEMBERS

Business | \$1,275 annually

Business members receive the support they need to manage a sustainable growth strategy. Members at this level are traditionally established businesses who need direct engagement from our expert staff in addition to the digital community and online resources.
