

# Volunteers Needed Deliver the gift of life... literally!

**American  
Red Cross**

## BLOOD TRANSPORT VOLUNTEERS

Did you know the Red Cross is responsible for about half the country's blood supply? What's more, nearly 90% of everything we do is done and led by volunteers. We urgently need Blood Transport Volunteers (Transportation Specialists) to help assure more birthdays, more graduations, more weddings, and all those happy moments in peoples' lives.

- Deliver blood and related products from neighborhood blood drives to manufacturing facility in West Henrietta, NY and/or from Syracuse distribution lab to area hospitals.
- Always on your schedule, using your own vehicle or Red Cross vehicle. ***Only sign up for routes convenient to you!***
- Work independently or with preferred Navigator.
- Free training.

### Qualifications:

- Valid driver's license and 3+ years clean driving record.
- Ability to lift up to 45 pounds.
- Availability to volunteer 1-2 shifts/month; most shifts 3-6 hours.
- Successful completion of Red Cross volunteer application, including standard background check.

We look forward to welcoming you to the team.
