

Stop Buying Products. Build a Cyber Program.

Build for defense and align for compliance

Join us for a Cybersecurity talk and after-hours event hosted by TALAS Security in partnership with CommonSpace on:

March 15th, 2023

From 6:00pm to 7:00pm

CommonSpace

201 E Jefferson St. Syracuse, NY 13202

Come ready to chat with the Co-Founders of TALAS Security. Learn the importance of a Cyber program and how organizing what you have can reduce risk without buying more products.

After the event join us to continue the discussion at Amano for an open bar and appetizes.

RSVP to Reserve your Spot by March 14th

<https://www.talas.io/events>

Space is limited to 25 spots
