

You deserve to celebrate the holidays - even if 2020 has been one helluva roller coaster ride!

Join WBOC for a virtual Celebration that will make your spirits...

Grab your favorite coffee, glass of wine or sparkling water as we safely gather via Zoom.

We'll spend time together connecting, sharing, and enjoying each other's good company!

You'll have a chance to talk and network with other women in a fun and meaningful way.

You'll also have an opportunity to support the women of Joseph House, a home for Moms and children who would otherwise be homeless.

All brought to you by the kindness of our presenting sponsor,

CATHY J. BERRY, M.D.
